RE: Price Transparency Attestation

STI Computer Services, Inc

ChartMaker® Medical Suite Product Versions 2015.2 and 2016

The purpose of this attestation letter is to inform Drummond Group LLC (DG) of our acceptance and compliance with ONC HIT Certification Final Rule giving DG the sole responsibility for ensuring compliance and determining appropriate consequences if STI Computer Services, Inc (STI) fails to disclose accurate price transparency.

STI agrees to notify DG of any and all future changes to our price transparency language. STI agrees to provide DG with all websites, marketing materials, communication statements and other assertions made by our organization regarding the ONC certification of our products in a reasonable time to ensure price transparency information is being accurately disclosed.

STI offers two different platforms for our clients: ASP (Cloud) or Client/Server. For Client/Server the purchaser signs a license agreement for the software (client/server) which remains valid for the length of our relationship. For the Cloud platform the client signs a contract for our services which is at least 6 months in duration. Both platforms include an agreed upon number of users (seats).

STI's Price Transparency is as follows:

ChartMaker® Medical Suite Product Versions 2015.2 and 2016 may require ongoing monthly costs for ChartMaker® HealthPortal to support E-prescribing, Direct Messaging, Formulary Checking, Specialized Registry submission, Immunization Registry submission and TOC exchange

ChartMaker® Medical Suite Product Version 2015.2 and 2016 may require ongoing monthly costs for ChartMaker® PatientPortal to support Secure Messaging, Patient Access to Health Information, View, Download and Transmission of Health Data by patient as well as patient access to Direct Messaging.

ChartMaker® Medical Suite Product Version 2015.2 and 2016 may require one time fees for certain interfaces, or other third party connections for Lab or Image Results or various registry submission.

ChartMaker® Medical Suite Product Version 2015.2 and 2016 may require additional fees from third party vendors for Specialized Registry (CE City), Syndromic Surveillance file submission, Identity Proofing for E-prescribing of Controlled Substances (IdenTrust).
